RRI Skill and Knowledge Foundation (RRiSK)

Building People. Strengthening Communities. Shaping Rural India.

Not built for profit, built for people

Who We Are

RRI Skill & Knowledge Foundation is a registered non-profit organization committed to transforming rural and underserved communities through skill development, sustainable agriculture, digital empowerment, and community-driven innovation.

Mission

RRI Skill & Knowledge Foundation works to transform rural and underserved communities by strengthening skills, sustainable livelihoods, water security, agriculture, and community institutions.

Vision

To build a self-reliant, skilled, and climate-resilient rural India where communities have sustainable livelihoods, empowered women and youth, secure natural resources, and a strong connection to their cultural heritage.

Core Work

Skill Development

Sustainable Agriculture

Arts & Culture

Women Empowerment
